Intern Program

The Mount Horeb Area Joint Fire Department is offering the chance to gain experience and training while getting a degree in the Fire and EMS field. Join our department and work alongside the diverse membership made up of volunteers and paid staff that provides Fire Protection and Emergency Medical Services to the community.

What the program provides:

- Earn a 2 year degree in Fire Science from Madison College
- Option to get your paramedic certification
- Become fully certified in Fire and Emergency Medical Services by the conclusion of your internship
- Transportation to school is provided
- Free housing is provided
- Earn a monthly expense reimbursement
- Monetary assistance for book purchases and tuition
- Run Fire and EMS shifts
